

BIG NOTE: Once I submitted one review it auto-populated the next one EXCEPT for the THIS RESIDENCY question at the end. It was not populated UNTIL I submitted one, so don't "save," get through one, then go to the next, actually submit it. Don't use apostrophes, sometimes they come up as "She?s, it?s, etc" use She is, it is, etc.

How to Help Your Residency Site Recommender

Dear Recommender,

Thank you for agreeing to write a recommendation, the first deadline is [blank] and I just wanted to give you some notes about my APPE experience if it helps save you some time. Again, thank you so much.

The numbers correspond to the questions/answers/rationales in [100 Strong Residency Questions, Answers, and Rationales](#)

I. This is how I felt I increased my independence and autonomy #13, #20, #21, #22

Paragraph

II. These are my 2 self-perceived strengths #9, #10, #13, #29, #30, #31

Paragraph

III. These are my 2 self-perceived weaknesses AND what I'm doing about them (Same #s)

Paragraph

IV. These are my unique qualities #7, #79, #91 to #100

Paragraph

V. This is why I chose THIS residency site #4, #69, #70

Paragraph

a. Why did you as an applicant pick this program?

There is teaching APPE students and Pharmacy Students

b. How does the site that you were at in APPE match that site partial or full?

Academic APPE specific teaching components

Put these chronologically!

This is why I chose THIS *first* residency site, the deadline for this site is [blank]

Paragraph

This is why I chose THIS *second* residency site, the deadline for this site is [blank]

Paragraph

This is why I chose THIS *third* residency site, the deadline for this site is [blank]

Paragraph

Thank you,

Name, PharmD Candidate

School
